SANTA'S SLEIGH

SANTA'S SLEIGH REGISTRATION FORM

Thank you for your interest in the KCM Santa's Sleigh Program. Your generosity and thoughtfulness will enable the family you adopt to have the kind of Christmas they might not have without your participation.

We have found that while some families are given truckloads of gifts, others receive only a few. This is particularly difficult for children to understand. In an effort to treat families fairly, we are enclosing guidelines for gift giving.

We will be sending you the children's Santa letters along with their first names, ages, and sizes. If you feel some of the requests are excessive, please do not be offended. Remember, these are the children's "wish lists". They will be delighted with whatever they receive. If you "adopt" a senior adult, we will provide a "wish list" along with their first name and sizes. We hope this additional information will make your shopping easier.
